## International Conference on Nanotechnology, Advanced Materials & Applications

Basel, Switzerland | October 15 – 16, 2026

### About the Conference

Hosted in Basel, Switzerland, ICNAMA 2026 is a premier global forum on nanotechnology, advanced materials, and their real-world applications.

- Cutting-edge Research
- Emerging Nanotechnologies
- Sustainable & Smart Materials

### Goals

- Present the latest advances in nanotechnology and materials
- Promote sustainable and innovative solutions
- Encourage interdisciplinary collaboration
- Provide networking opportunities

### Why Attend?

- Hear from renowned Global Experts
- Discover Cutting-edge Innovations
- Engage in Interactive Workshops
- Network with Academia & Industry Leaders

### Conference Format
