About Conference

The Global Summit on Petroleum Science, Energy Engineering & Sustainable Hydrocarbon Technologies

The Global Summit on Petroleum Science, Energy Engineering & Sustainable Hydrocarbon Technologies 2026 is a premier international forum dedicated to **advancing innovation**, research, and technological breakthroughs in the petroleum, energy, and hydrocarbon sectors.

Hosted in the **Dubai, UAE** — a global energy hub — this summit will bring together energy engineers, petroleum scientists, researchers, industry leaders, policymakers, and **technology innovators** to explore cutting-edge developments in sustainable hydrocarbon technologies, energy efficiency, and resource management.

The conference emphasizes:

- ✓ Sustainable energy solutions
- ✓ Advanced petroleum engineering
- ✓ Green hydrocarbons
- ✓ Renewable integration
- ✓ Technological innovations reshaping the global energy landscape

Through keynote presentations by globally recognized experts, plenary sessions, oral and poster presentations, interactive workshops, and panel discussions, participants will gain actionable insights into emerging technologies, optimization of energy processes, and best practices for sustainable hydrocarbon management.

Join global leaders in Dubai, UAE to exchange expertise, foster partnerships, and contribute to shaping a sustainable and innovative future for the global energy sector.

Key Scientific & Technical Sessions

The summit will cover, but is not limited to:

- ✓ Petroleum Science & Hydrocarbon Exploration
- ✓ Advanced Energy Engineering & Process Optimization
- ✓ Sustainable Hydrocarbon Technologies & Green Energy Solutions
- ✓ Renewable Integration & Hybrid Energy Systems
- ✓ Oil & Gas Refining, Processing & Storage Innovations
- ✓ Energy Policy, Regulation & Risk Management
- ✓ Digitalization, AI & Smart Technologies in Energy
- ✓ Environmental Sustainability & Carbon Reduction Strategies
- ✓ Petrochemicals & Materials Engineering
- ✓ Research, Innovation & Commercialization in Energy Technologies

Why Attend?

- ✓ Gain insights from global experts
- ✓ Discover emerging technologies
- ✓ Network with industry leaders
- ✓ Collaborate on future energy solutions
- ✓ Present your research on a global platform

Global Summit on Petroleum Science, Energy Engineering & Sustainable Hydrocarbon Technologies 2026

Date: October 19 – 20, 2026

DAY 01 – PROGRAM SCHEDULE

June 19, 2026

Time	Session
08:00-09:00	Opening Ceremony
